CONCENTRATIONS: Please mark your #1 & #2 choice for the weekend.

___ **Encounter** – Question Christianity or faith in God? We will help create a kingdom worldview that dismisses clichés and myths of Christianity and helps provide a safe place to ask questions and investigate faith.

___ **Connect** – Following Jesus, but not sure what that means, or how to grow? This will help develop or grow disciplines to deepen relationship your with God. Learn core values of Bible study, community and evangelism.

___ **Thrive** - Been a Christian for a while, but struggling to make the pieces fit? Question how faith can co-exist with your Greek experience? Not sure how to fully integrate that relationship into everyday life? Thrive will provide practical help in specific areas of life that hold you back from growing with Christ. We will learn that God believes in 2nd chances and that following Him is not about behavior modification, but an internal change with external results.

___ **Lead** – (Must be current or potential Greek ministry leader). Are you a missionally-minded leader in ministry on campus? Lead will focus on how God calls you to be faithful in the Greek system. We will share the vision and philosophy behind the Greek ministry strategy, define the integrity of a leader and the passion and urgency with which we must lead. You will receive specific training in areas such as Bible study, prayer evangelism, discipleship.

___ **Influence** – (Must be a graduating senior or been through Lead (formerly Greek Ministry) to qualify). God's role in our lives isn't simply internal, or to be shown to our peers. God is a God of outreach, justice and full-life living wherever you are. Whether your influence is across the campus or in the marketplace, we'll discuss the stewardship of gifts God has given us for the sake of Gods kingdom. You'll learn how to lead in life from a Biblical perspective and be prepared to thrive in the post-college world.

1st time at Greek Conference? Recommend: Encounter, Connect or Thrive. 2nd time at Greek Conference? Recommend: Thrive, Lead or Influence. 3rd time at Greek Conference? Recommend: Influence, Lead or Thrive.
